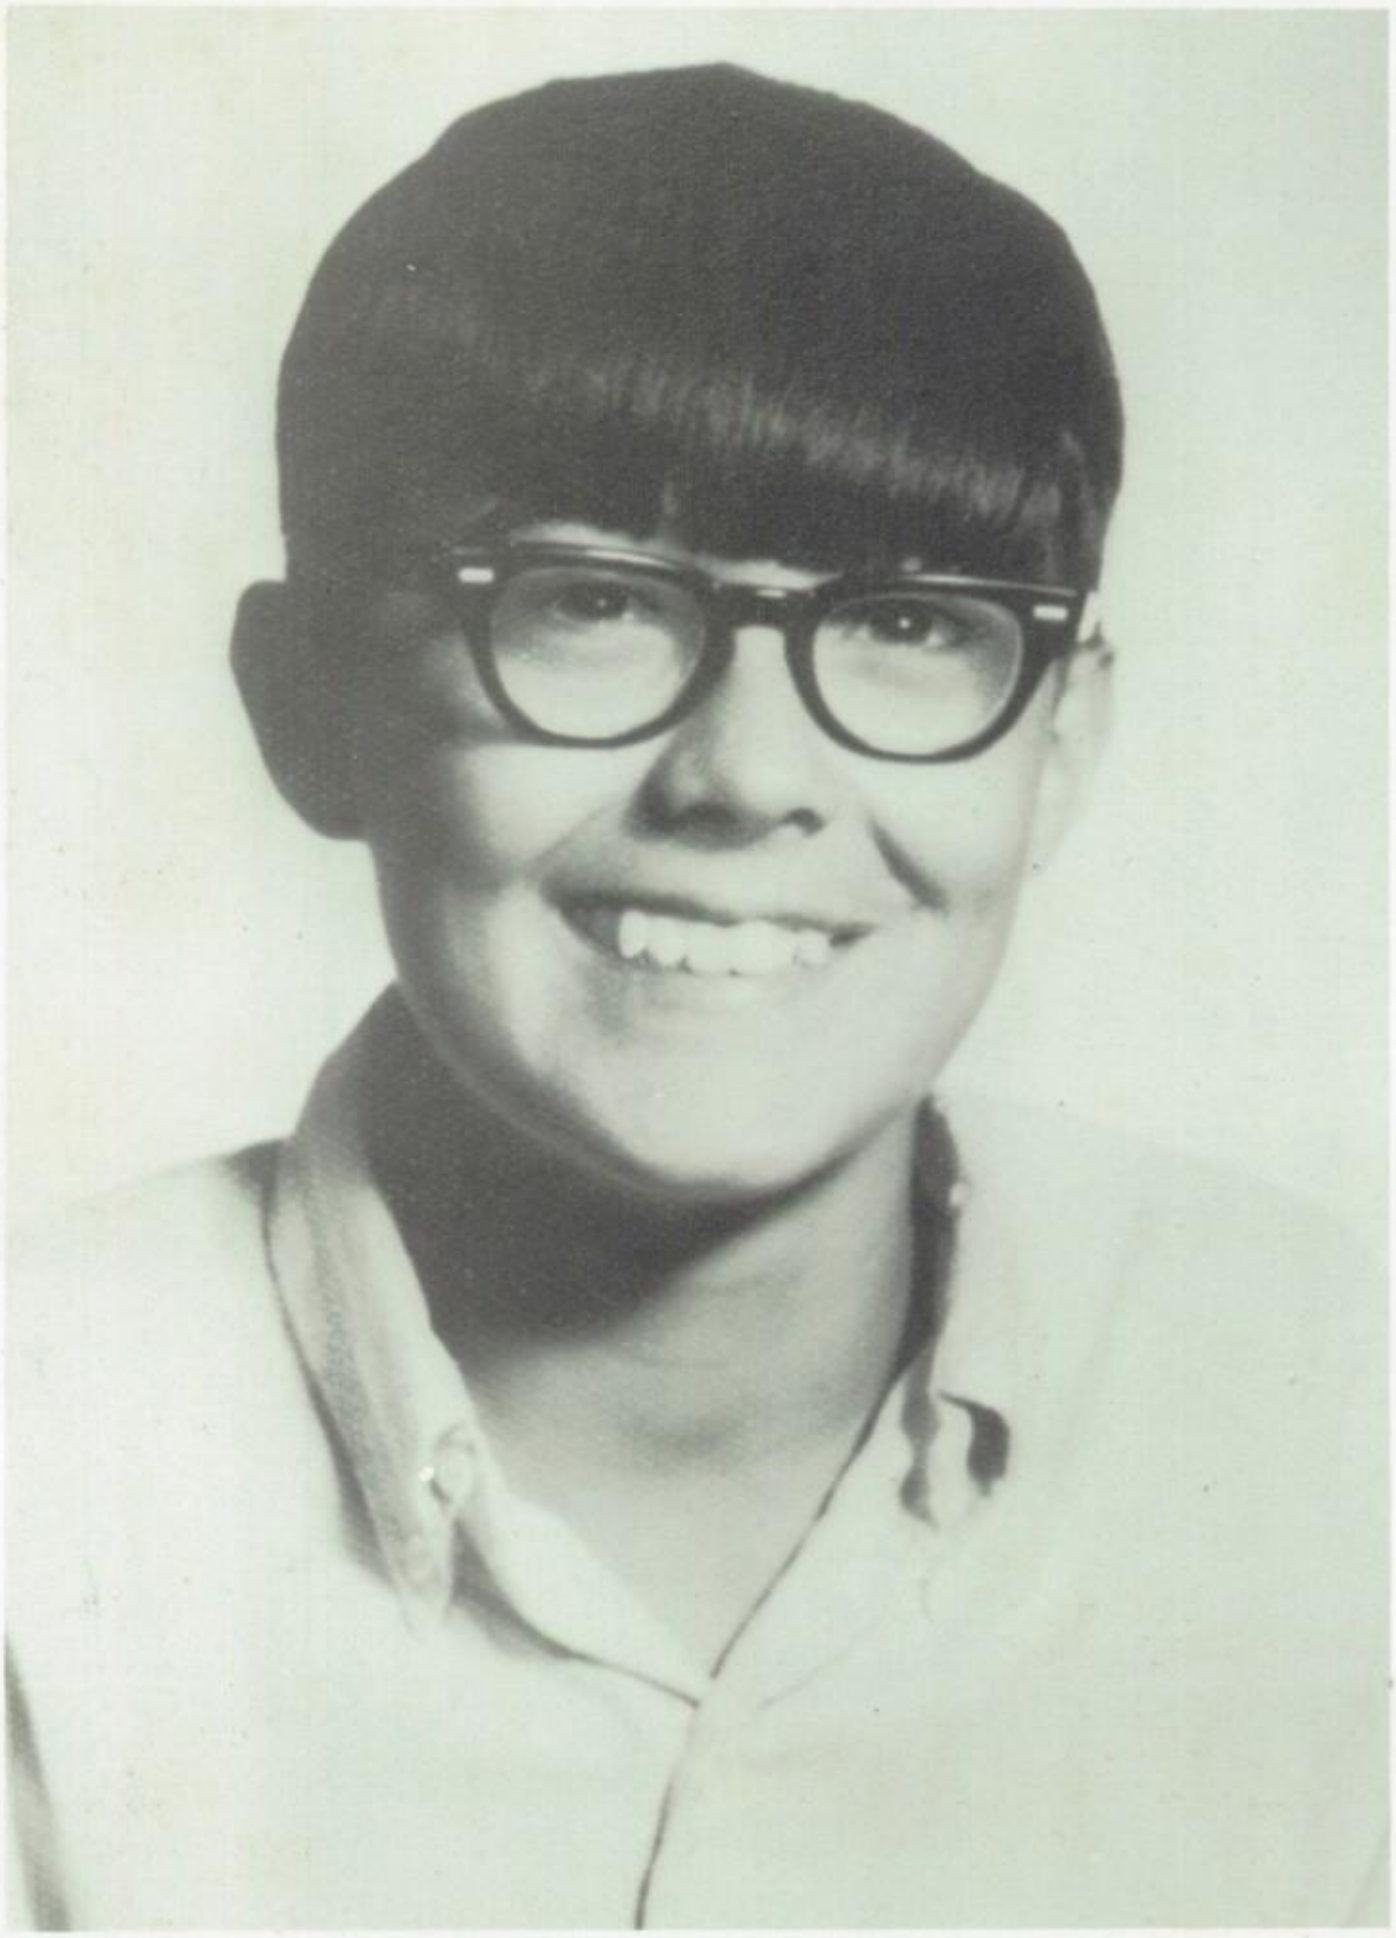
In Memoriam



We, the Class of 1971, dedicate

our yearbook to the memory of our classmate,

DENNIS LEE BOWERS.

A Year To Remember

The school year 1970-71 is "A Year to Remember." Hopefully we will all remember it with a smile - a smile of encouragement; a smile of victory; a smile of "real" teachers; a smile of pride for an award winning band; and a smile of friendship which will endure long after this school year has become another page in the history of Antwerp High School.

Superintendent

MR. DALE ADAMS

The happiness and prosperity of our country depends greatly on the proper education of youth. Our administrative staff strives constantly to improve the education of Antwerp students to prepare them for a successful life. Mr. Adams and Mr. Parrett are our Superintendent and Principal. They are responsible for the many and varied activities of a well-run school with new buildings to meet the needs, problems of expansion, and a changing curriculum.

Principal

MR. WILLIAM PARRETT

Board Of Education

LEFT TO RIGHT: James Sidenbender; Lyle Leinard, President; Dale Ehrhart, Clerk; Stanley Jordan, Ray Billman, Vice President; Robert Culler.

Leadership is a learned technique. The members of the School Board, having acquired the skill, returned to govern the school. The emphasis was placed on the Bond Issue. This consisted of new classrooms and gym and an enclosed swimming pool. This was voted on and passed May 4, 1971.

The Antwerp Football team began varsity play on the new Antwerp Athletic Complex. This was the first high school football game to be played in Antwerp for thirty years. The team got off to a great start by downing Hilltop 20-6. The Fairview game opened with Steve Peters running a 89 yard touchdown return with the opening kickoff. In the second quarter, Steve was injured in a play, breaking his ankle. Though the Archers didn't score another touchdown the rest of the season, they gained valuable experience for the coming years.

Basketball Team Strives To Reach Perfection

LEFT TO RIGHT: Ed Glass, Ed Miller, Randy Green, Rick Parrish, Mark Lcro.

CULLER

Senior Guard, Mike Culler, or "Twink," is one of the quickest and best defensive players on the squad. Though being the shortest man on the team at 5-9, he has fantastic rebounding ability. Mike was one of the tri-captains this year.

MILLER

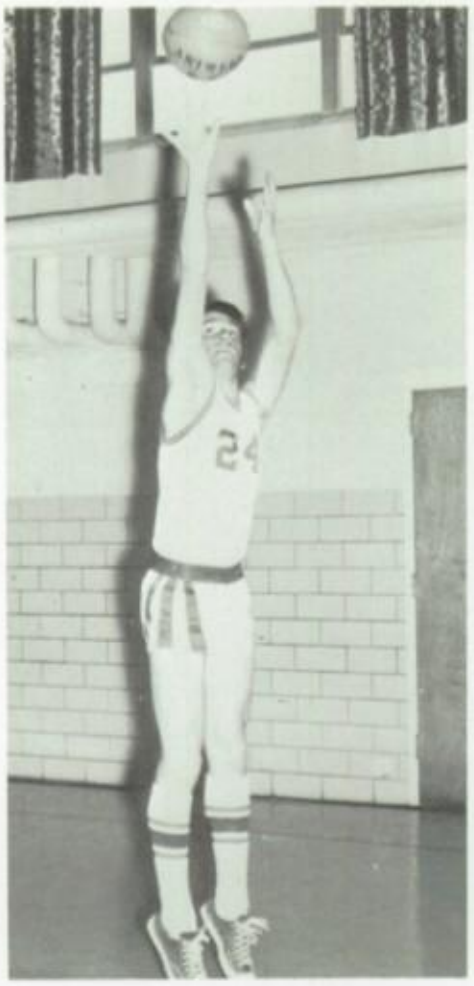
Dave Miller, Senior, is the tallest man on the Archer team as he stands 6-8. The center on the team, Dave is excellent at shooting and rebounding. Dave leads the team as tri-captain. He was chosen to the first team in the PCL.

SIGG

One of the chief ball hustlers and quick passers is Tom Sigg, Senior guard. Tom's spirit was a boost to the Archers morale. Tom was at his best against Payne on Parents' Night. He was one of the tri-captains.

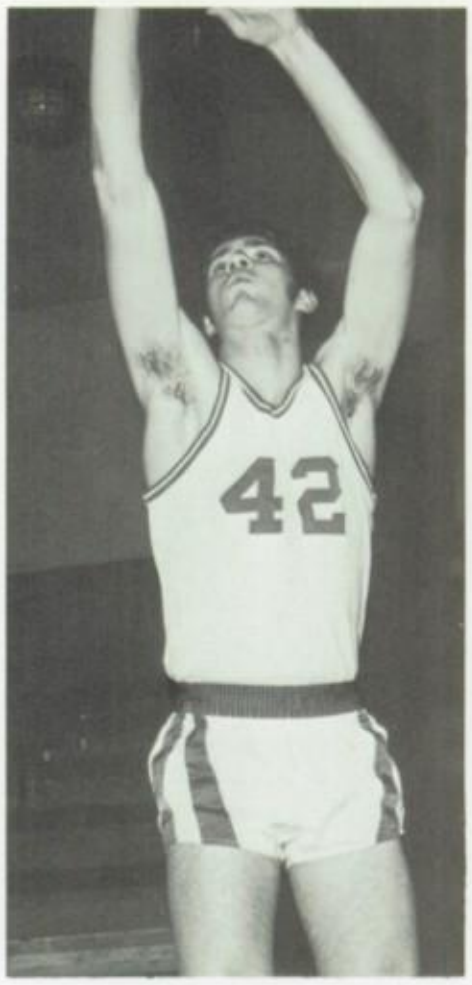
PETERS

Steve Peters, Senior guard, made a quick recovery to come back and be one of the key Archer players. He has great speed and a fantastic ability to make those outside shots. Steve was voted the Outstanding Senior Athlete of 1971.



ATCHLEY

"Sparkplug" Larry Atchley, Senior, can play either center or forward. He is a very good rebounder and has great inside moves. Larry's greatest asset is his ability to easily make outside shots. Altogether, Larry is a well-rounded basketball player. He was voted by his teammates as the Outstanding Senior Player on the basketball team.



JONES

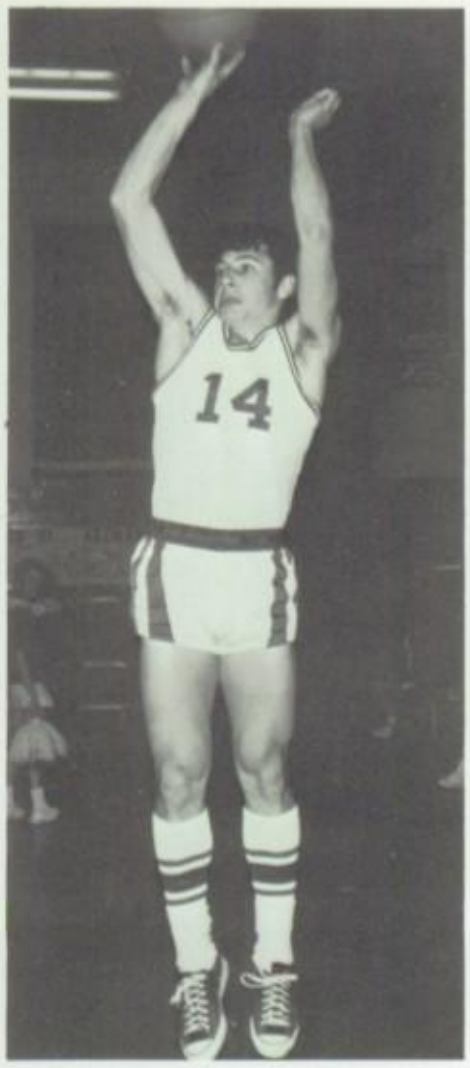
Ed Jones, Junior forward, can be counted on for strong outside shots. He has great rebounding ability and can expect to see much action next season.

CULLER

Senior Larry Culler can play either forward or guard. Though he saw limited action, Larry was a valuable asset to the team. He led the Archers to victory in the Payne game on Parents' Night.

MILLER

Junior guard Mike Miller is known for being the only left hander on the team. Mike is an outstanding hustler on defense and should add much to next season's play.



ROGERS
Jim Rogers, Junior, can play either the forward or center position. Jim has great jumping ability and is a quick ball handler.

ROHRS
Sophomore Mike Rohrs, or "Lucky," plays the position of forward. He has fantastic inside moves and is a good inside shot. He should be a strong key to future basketball seasons.

UNDERWOOD
Dan Underwood, Junior, shifted between the Varsity and reserve teams. He plays center on Reserve and is a good defensive player.
